We ask for parental support as we seek to provide an enjoyable yet safe end to your son/daughter's compulsory secondary education. Anyone who is in possession of, or under the influence of alcohol will not be allowed to participate. With their safety in mind, we strongly discourage students from organising or attending any unsupervised "after prom" parties; for the duration of the evening please ensure you know where your child will be.

Mr Fallon, Assistant Headteacher, will be the Senior Leader supervising the venue on the evening, alongside the Year 11 tutor team and their Head of Year, Mrs Miller.

If you have any questions, please contact Mrs Miller or the school office on 693500.

Yours faithfully

Mr K Winstanley
Headteacher
