PLAY

To play any game in Roblox, it's simple. Visit any experience, press the green 'play' button, download relevant software, and head on in!

CREATE

To create your own Roblox game, you'll have to install the Roblox Studio. This will equip you with easy tools to help you build your idea!

What is a Server?

A server is part of the gaming system that allows you to interact with other players online. Most games have a public server, but there is an option to create your own private server and invite your friends to play together - without any strangers! Every server has a maximum capacity, which can vary.

GOOD TO KNOW!

Roblox has parental controls and safety settings enabled by default for children under 13 - which is why registering with a real DOB is important!
