We are very sorry we have had to cancel the 2021 Sixth Form Pathways evening due to lockdown.

If you would like some help or have questions, Mrs Astin, Head of Sixth Form, Miss Metcalfe, Deputy Head of Sixth form or Mr Danielson, Curriculum Lead will be delighted to contact you to discuss your needs and help you find out more so you can consider your choices. If you would like one of us to contact you please tick this box ☐

What do you plan to do after Year 11?

We ask all our Year 11s to answer this question so we know your intentions for next year.

If you intend to join Sixth Form at CRHS, what are your preferred subject choices?

When thinking about your choices you should consider your strengths, interests and what you want for your future. Please read our Sixth Form Options Booklet which is intended to support you in making your subject choices. Different subjects have different entry requirements which are set out on Page 6 of the booklet.

Please select four or five subjects and indicate your priorities by writing the number 1 (first choice) – 5 (fifth choice) in the box next to the subject name in the table. Almost all students end up taking three subjects but we ask for a fourth/fifth subject so we know what you might choose if your preferred subject combination doesn't fit entirely within the school timetable.

You can change your mind completely after results day and most students do change one or more subjects then. Please note that available options remain subject to change.
