- Positive emails home and certificates for students meeting the school attendance target
- Meetings/phone calls/letters home praising improved attendance

4. Attendance Monitoring

Castle Rushen High School will monitor and analyse attendance and absence data frequently through a range of measures.

Monitoring attendance

Castle Rushen High School will monitor, at regular intervals, attendance and absence data across the school, year groups and at an individual student level:

- Weekly – in Tutor time to eliminate unauthorised attendance to school and/or lessons
- Fortnightly – in meetings between Leadership Team and Heads of Year
- Fortnightly – in reports to Tutors
- Termly – in reports to Leadership team, School Governors and Pastoral Team Leaders

Escalating and De-escalating actions for attendance

The HOY and AHT with line management responsibility for that given year group will analyse the fortnightly attendance data to deal with deteriorating attendance. They will use the CRHS Inward System to ensure consistency in escalating, and de-escalating actions for attendance (see appendix 6). The **tutor** will be kept informed and involved in any actions taken.

The inward system details the graduated protocols for those pupils who are not attending school to a satisfactory level. Communication with parents, via letters or phone calls, should go out at the earliest opportunity so that attendance does not deteriorate and that issues are dealt with at the earliest opportunity.

Analysing attendance

Castle Rushen High School will:

Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these students and their families. Groups may include:

- Year groups
- Tutor Groups
- Gender split
- SEN
- EAL
- FSM
- Houses

Appendix 1 – Start of a new school year letter

Dear Parent/Carer

Attendance – Lost learning time adds up!

Now that a new school year has begun, we wanted to remind parents and carers of the importance of maintaining high levels of attendance to School.

Since the interruptions caused by Covid, many schools have noted attendance has not fully recovered. By the end of the academic year 2023/24 CRHS student attendance averaged 85%. A student with this average level of 85% attendance will have missed 28.5 days of school and 142.5 hours of lesson time. Absence has a significant impact upon a student's outcomes.

Regular attendance is vital for a child's educational success. When children miss school, they miss out on critical learning opportunities, social interactions, and the structured routine that supports their learning development. The optimum attendance target for students is 97%, with research showing that at this level there is no detrimental effect on learning.

The school understands that some absences are unavoidable due to illness or family emergencies. Nevertheless, we urge you to prioritise school attendance whenever possible and to schedule appointments and holidays outside of school hours.

Our new school attendance ratings are given below:

Attendance	Rating	Comment
99% to 100%	Green	Outstanding
97% to 98.9%	Green	Good
96% to 96.9%	Amber – Green	Acceptable
94% to 95.9%	Amber	Requires Improvement
90% to 93.9%	Amber – Red	Cause for Concern
Below 90%	Red	Serious Cause for Concern

From research conducted, when a student whose attendance in Year 11 was 90% or lower achieved on average **1½ grades lower per GCSE subject** than their peers who had good attendance (97% or higher). I'm sure you will agree that this is a staggering difference purely based on students attending regularly.

The following systems are in place to support parents:

- **Form Tutor** will be the first contact on any attendance issues.
- **Head of Year** will be contact if attendance issues persist beyond what the form tutor can manage, the head of year may intervene.
- **Outreach** are often deployed to work with students and families who are facing more significant attendance challenges.
- **Early Help and Support (EHAS)** provides support to families dealing with complex or long-term issues that impact a child's school attendance
- **Education Welfare Officer** work closely with schools, parents, and students to tackle persistent or severe absenteeism.

If attendance is a concern, the relevant colleague above will contact you. Should you wish to discuss your child's attendance, please contact their tutor via CRHSEnquiries@sch.im in the first instance.

We hope you will work with us to support your child's progress by ensuring excellent attendance this year.

Yours sincerely,

Mrs J Astin

Attendance to school is crucial for academic success, as it ensures continuous learning and skill development. It fosters social interactions, teamwork, and emotional stability through a structured routine. Regular attendance is linked to higher educational attainment and better employment prospects. Consistent attendance helps address educational disparities, ensuring all students have equal access to opportunities and support. In essence, school attendance is vital for personal growth, future opportunities, and maintaining a high standard of education for all.

I would appreciate the opportunity to meet with you to discuss ways we can work together to improve [Child's Name]'s attendance and ensure they are getting the most out of their education. Appendix 5 – Unauthorised holiday request letter

Date 2024

Dear Mr/Mrs XXXXX,

Re: Student Name – Year Form

I have today received a request for holiday leave from school in respect of XXXXXX. Whilst I appreciate the importance of REASON FOR LEAVE, I have to abide by the rules drawn up by the Department of Education, Sport and Culture with regard to leave during the school year. The policy is on the Castle Rushen High School website and is clear that:

A student may be taken out of school for up to a maximum of 10 days during term time. Beyond that, all absences other than for illness are regarded as being unauthorised. The way in which the National Curriculum now operates makes it increasingly difficult for teachers to give children the opportunity to cover those areas missed through absence.

I note that you wish to take NAME out of school for XXXX school days. As NAME has already taken X days this academic year, this will bring the total to XXXX days. I must therefore advise you that I cannot authorise the XXXX days of leave and, should you choose to take it, XX days will be authorised and XXX days will be recorded as unauthorised leave on his/her school record. Please note that any additional leave requests for NAME will be recorded as unauthorised leave also.

Yours sincerely,

Mr K. Winstanley
Headteacher
